Subrogation

Purpose

To allow the Pool to recover from third parties settlements and judgments paid by the Pool on behalf of a Pool member which, in fairness and in law, ought to be paid by the third party.

Authority

- 1. Interlocal Agreement, Section 3 (necessary and proper for self-insurance program); and
- 2. Bylaws, Section 4g (terms and conditions of coverage).

Policy Statement

- 1. When the Pool pays a settlement or judgment on behalf of a member upon a claim for which some other person or entity may be wholly or partially liable, the Pool may pursue a claim for subrogation. The Pool may pursue the subrogated claim notwithstanding the wishes of the member.
- 2. In the prosecution of a subrogated claim the member shall provide all necessary and reasonable assistance.
- 3. When a member pays a claim on its own behalf upon a claim for which some other person or entity may be wholly or partially liable, the Pool may pursue the claim in subrogation with the concurrence of the member system.
- 4. When the Pool recovers funds on a subrogated claim where the Pool has paid funds on behalf of the member, the recovery shall first go to reimburse the Pool with the balance to the member.

The Executive Committee may amend this policy.
